I'm free after 1:00 your time. Just have a question for you about a couple nominees for the stakeholder roundtables. If you can give me a time to call you, I'll lock it in.

thanks, Fred- by the time I had a moment to call you you were long gone. I'm in tomorrow so maybe we can catch up then. I liked your edits and have incorporated them.

Ayn,

Very nice work. I added some additional text about the HISA issue, but it is simply repeating what we have said before -- so feel free to pare it back to the way you had it if you prefer.

Fred

Please review and provide me with any suggested revisions. I am attaching both the incoming letter and the draft response. Mike, you'll see that I need some help with the FOIA response time lines. Fred and/or Dave, please review the section on peer review and HISA- that section is really yours to respond to. Can you please get me responses NLT cob tomorrow? thanks.
